## Skill Highlights

- Autocad Electrical Design
- Data Center infrastructure design
- Basic Python
- Basic SQL
- Basic Java Script

## Languages

Amharic  
English

## Certifications

- DCFC Data Center Foundation-EPI
- HCSP Data Center Facility (Modular DC) Huawei
- General Electric-Krones
- Network infrastructure cabling-Panduit
- Daikin-Air Conditioner
- UPS system-TRIPLITE

## Education

Addis Ababa Science and Technology University, BSc in Electrical Engineering, with 3.61 GPA.

## Experience

**Dec 2018 to Dec 2019**

### Graduate in Training (GIT)- East Africa Bottling S.C, Addis Ababa

Gain exposure to various departments within East Africa Bottlin S.C, such as manufacturing, procurement, logistics, marketing, and HR, in order to acquire a comprehensive understanding of the business. And also Collaborate closely with experienced electrical specialists and automation engineers to enhance industry knowledge. Additionally, actively participate in the testing and commissioning of the new Krones line located in Bahir Dar, Ethiopia.

**Jan 2020- Feb 2021**

### Electrical Specialist - East Africa Bottling S.C, Bahir Dar

Designing and installing electrical control boards across various systems. Resolve issues and perform troubleshooting on control systems utilized in treatment plants, utility and production machineries. Inventory control for electrical spare parts. Collaborate with the procurement department to gather quotations from vendors and conduct market assessments for potential new vendors. Prepare detailed checklists and work instructions for electricians and operators to follow.

**Jan 2022 - Dec 2022**

### Data Engineer-Shaka Agro Industry, Addis Ababa

I worked as data analyst in SHAKA Agro industry. I receive different data's and I will analyze data using Star Pac software to retrieve the information the client request

**Jan 2022 - Sep 2023**

### Procurement Assistant Analysis-UNOPS (Part time)

Gained diverse procurement experience by working both in the field and in the office. Responsible for data collection and analysis, I also oversaw procurement activities at store locations in Meki, Hawassa, Kombolcha, and Dessie. Back in the Addis Ababa office, I documented and organized collected data, ensuring accurate entry into Google Sheets

**Nov 2022 - Dec 2023**
