professional Summary

"Highly motivated UI/UX Designer and Front-End Developer with 3 years of experience. Possesses a strong eye for design and a passion for crafting intuitive and user-friendly interfaces. Skilled in HTML, CSS, JavaScript, and various UI/UX design tools. Proven ability to translate design concepts into functional and visually appealing web applications. Eager to collaborate with cross-functional teams to bring innovative digital products to life. Looking for a challenging role where I can leverage my design and development skills to create exceptional user experiences and contribute to the success of cutting-edge projects

Skills

- Front-End Development: HTML5, CSS3, JavaScript (ES6+), React/Vue.js (choose one or both based on your experience)
- UI/UX Design: User experience (UX) research, wireframing, prototyping, UI design systems, accessibility best practices
- Responsiveness: Building websites that adapt to all devices (desktop, tablet, mobile)
- Cross-Browser Compatibility: Ensuring consistent website experience across different browsers
- Version Control: Git for code management and collaboration

Software Skills

Figma, Illustrator,HTML, CSS, Bootstrap, JavaScript, React JS

Work Experience

- Front-End Developer (2 years) - Abol EdTech Company, Addis Ababa, Ethiopia
